A Step Up Academy Announces New Location and Grade Expansion

A Step Up Academy (ASUA) is proud to share that we have received approval from the Pennsylvania Department of Education to open a new location in Abington, Montgomery County, PA. The new location, the Annex, advances ASUA's mission to provide integrative education for children with autism. Adjacent to The Center School, and with a focus on the continued development of community partnerships, the expansion will allow ASUA to develop further inclusion opportunities for our students. In addition, ASUA will now serve children in grades Preschool through 8th.

We are currently offering tours and accepting applications for the 2019-2020 academic year.
